

1. Your views about the school

Communities and Families in the City of Edinburgh Council is keen to find out what parents and carers think of the education services it provides. We want to hear what you think works well and what needs to change.

Your views will help us plan our services locally and across Edinburgh. By telling us what you think, you will be helping schools to make improvements.

The questions will take about 10 minutes or so to answer.

Your answers are anonymous and no-one will be able to identify you from your answers. We do need you to tell us which school your child/children attend.

If you need more information or help to answer any of the questions, please contact David Maguire on 0131 529 2132 or by email: david.maguire@edinburgh.gov.uk

If possible, please complete the questionnaire online. Alternatively, you can complete the paper copy and return it to your child's school.

Thank you for completing the survey.
